## Making Love Out Of Nothing At All by Air Supply

Are streaming through the waves in your hair;
And every (8) in the sky is taking aim
At your eyes like a spotlight,
The beating of my heart is a drum, and it's lost
And it's looking for a rhythm like you.
You can take the darkness from the pit of the night
And turn into a beacon burning endlessly bright.
I've got to follow it, 'cause everything i know, well it's nothing
till i give it to you.
I can make the run or stumble,
I can make the final block;
And i can make every tackle, at the sound of the whistle,
I can make all the stadiums rock.
I can make (9) forever,
Or i can make it (10) by the dawn;
And i can make you every promise that has ever been made,
And i can make all your demons be gone.
But i'm never gonna make it without you,
Do you really want to see me crawl?
And i'm never gonna make it like you do,
Making love out of nothing at all.
(making love)
Out of nothing at all
(making love)
Out of nothing at all
(making love)
Out of nothing at all
(making love)
Out of nothing at all
(making love)
Out of nothing at all
(making love)
Out of nothing at all
(making love)
