

## Fill in the gaps

Come and hold my hand	Running through my veins
I wanna contact the living	Going to waste
Not sure I understand	And I need to feel
This role I've (1) given	Real love and the love ever after
I sit and talk to God	I can not get enough
And he just (2) at my plans	l just wanna feel
My head speaks a language	Real love feel the home that I (6) in
I don't understand	I got too much love
I just wanna feel	Running through my veins
Real love feel the home that I live in	To go to waste
Cos I got too much life	l just (7) feel
Running through my veins	Real love and the love ever after
Going to waste	There's a hole in my soul
I don't wanna die	You can see it in my face
But I ain't keen on (3) either	It's a real big place
Before I fall in love	Come and hold my hand
I'm (4) to (5) her	I (8) contact the living
Scare myself to death	Not (9) I understand
That's why I keep on running	This role I've been given
Before I've arrived	Not sure I understand
I can see myself coming	Not sure I understand
I just wanna feel	Not sure I understand
Real love feel the home that I live in	Not sure I understand
Cos Laot too much life
