Running through my veins

I (1) contact the living	Going to waste
Not sure I understand	And I need to feel
This (2) I've been given	Real love and the (13) ever after
I sit and talk to God	I can not get enough
And he just laughs at my plans	I (14) wanna feel
My (3) speaks a language	Real love (15) the (16) (17) I
I don't understand	live in
I just wanna feel	I got too (18) love
Real love (4) the home (5) I live in	Running through my veins
Cos I got too (6) life	To go to waste
Running through my veins	I just wanna feel
Going to waste	Real love and the love (19) after
I don't wanna die	There's a hole in my soul
But I ain't keen on living either	You can see it in my face
Before I (7) in love	It's a (20) big place
I'm (8) to leave her	Come and (21) my hand
Scare myself to death	I wanna (22) the living
That's why I keep on running	Not sure I understand
Before I've arrived	This (23) I've been given
I can see (9) coming	Not sure I understand
I just wanna feel	Not sure I understand
Real love (10) the (11) (12) I	Not sure I understand
live in	Not (24) I understand
Cos I got too much life
