Come and hold my hand	Running (5) my veins
I wanna contact the living	Going to waste
Not sure I understand	And I need to feel
This role I've been given	Real love and the (6) ever after
I sit and (1) to God	I can not get enough
And he just laughs at my plans	I (7) wanna feel
My head speaks a language	Real love feel the home (8) I live in
I don't understand	I got too much love
I just (2) feel	Running (9) my veins
Real love feel the home that I live in	To go to waste
Cos I got too much life	I just wanna feel
Running through my veins	Real love and the love ever after
Going to waste	There's a hole in my soul
I don't wanna die	You can see it in my face
But I ain't keen on living either	It's a real big place
Before I fall in love	Come and hold my hand
I'm preparing to leave her	I wanna (10) the living
Scare myself to death	Not sure I understand
That's why I keep on running	This role I've been given
Before I've arrived	Not sure I understand
I can see myself coming	Not sure I understand
I just wanna feel	Not sure I understand
Real love (3) the (4) that I live in	Not sure I understand
Cos I got too much life
