

## Fill in the gaps

You are the (1) in my heart	You (11) to me too
You light my way in the dark	You make my life complete
You are the ultimate star	You make me (12) so sweet
You (2) me from up above	Oh I belong to you
Your unconditional love	I belong to you
Takes me to paradise	And you, you
I belong to you	You belong to me too
And you	You make my life complete
You belong to me too	You (13) me feel so sweet
You make my life complete	Oh I belong to you
You make me feel so sweet	I (14) to you
You make me feel so divine	And you, you
Your (3) and mind are entwined	You (15) to me too
Before you I was blind	You make my (16) complete
But since I've opened my eyes	You make my (17) complete
And (4) you there's no disguise	You (18) me (19) so sweet
So I could open up my mind	Oh I (20) to you
I always loved you from the start	I belong to you
But I (5) not figure out	And you, and you
That I had to do it everyday	You (21) to me too
So I put (6) the fight	You make my (22) complete
Now I'm (7) (8) my life	You make my (23) complete
Giving you the most in (9) way	You make me (24) so sweet
I (10) to you	
And you
