T Belong To You by Lenny Kravitz

Fill in the gaps

You are the flame in my heart	You belong to me too
You light my way in the dark	You make my life complete
You are the ultimate star	You make me (4) so sweet
You lift me from up above	Oh I belong to you
Your unconditional love	I belong to you
Takes me to paradise	And you, you
I (1) to you	You belong to me too
And you	You make my life complete
You (2) to me too	You (5) me feel so sweet
You make my life complete	Oh I belong to you
You (3) me feel so sweet	I belong to you
You make me feel so divine	And you, you
Your soul and mind are entwined	You (6) to me too
Before you I was blind	You make my (7) complete
But since I've opened my eyes	You make my life complete
And with you there's no disguise	You make me feel so sweet
So I could open up my mind	Oh I belong to you
I always loved you from the start	I (8) to you
But I could not figure out	And you, and you
That I had to do it everyday	You (9) to me too
So I put away the fight	You make my life complete
Now I'm gonna live my life	You make my life complete
Giving you the most in every way	You make me (10) so sweet
I belong to you	
And you
