## Knowing Me, Knowing You by Abba

| No more carefree laughter                   | Knowing me, knowing you                  |
|---|--|
| Silence ever after                          | We just (19) to face it, this (20) we're |
| Walking (1) an (2) house,                   | through                                  |
| (3) in my eyes                              | Breaking up is (21) easy, I know         |
| Here is where the (4) ends, this is goodbye | But I have to go                         |
| Knowing me, knowing you                     | Knowing me, knowing you                  |
| There is nothing we can do                  | It's the best I can do                   |
| Knowing me, knowing you                     | Knowing me, knowing you                  |
| We (5) to face it, this time we're          | There is nothing we can do               |
| through                                     | Knowing me, knowing you                  |
| Breaking up is (7) easy, I know             | We just have to face it, (22) (23) we're |
| But I (8) to go                             | through                                  |
| Knowing me, knowing you                     | Breaking up is (24) easy, I know         |
| It's the (9) I can do                       | But I have to go                         |
| Memories, (10) days, bad days               | Knowing me, (25) you                     |
| They'll be (11) me always                   | It's the best I can do                   |
| In these old (12) (13)                      |  |
| (14) play                                   |  |
| Now there's (16) emptiness, nothing to say  |  |
| Knowing me, (17) you                        |  |
| There is (18) we can do                     |  |
