For (1) in my life								
I have (2) who needs me								
Someone i've needed so long								
For once unafraid								
I can go where (3) leads me								
And (4) i know i'll be strong								
For once i can touch								
What my heart (5) to dream of								
Long before i knew								
Someone warm like you								
Could make my (6) true								
For once in my life								
I won't let sorrow hurt me								
Not like it's hurt me before, oh								
For once i've got someone								
I know won't desert me								
'cause i'm not alone anymore								
For (8) i can say								
This is mine, you can't take it								
As long as i've got love i know i can make it								
For once in my life								
I've got someone who (9)
