

## Fill in the gaps

I don't need your sympathy				
There's nothing you can say or do for me				
And I don't (1) a miracle				
You'll never change for no-one				
And I hear your (2) why				
Where did you sleep last night?				
And was she worth it, was she worth it?				
Cause I'm strong enough to live without you				
Strong enough and I quit crying				
Long enough, now I'm (3) enough				
To know you gotta go				
There's no more to say				
So (4) your (5) and walk away				
No matter what I hear you say				
I'm strong enough to know you gotta go				
So you feel misunderstood				
Baby have I got news for you				
On being used, I could write a book				
But you don't wanna hear (6) it				
Cause I've been losing sleep				
And you've been going cheap				
And she ain't worth half of me, it's true				
Now I'm telling you
