

## Fill in the gaps

It's getting so lonely inside this bed	That I can do it on my own without my heart on my sleeve
Don't know if I should (1) my wounds or say woe is	I'm running, I'm running, (8) up (9)
me instead	me life
There's an (2) inside my head	Or is it love that I'm looking to find?
It's telling me you're better off alone	It's all in me, can't you see, why can't you
After midnight morning (3) come	Why can't you see, it's all in me, yeah
And the day will see if you will get some	All in me, yeah
They say that girl ya know she act too tough, tough, tough	Turn off the light, turn off the light
Well, it's till I turn off the light, turn off the light	Turn off the light, turn off the light
They say that girl you know she act so rough, rough, rough	I say follow me, follow me, follow me down, down, down,
Well, it's till I turn off the light, turn off the light	down
And I say follow me, follow me, follow me down, down, down,	Till you see all my dreams
down	Not everything in this magical world is quite what it seems
Till you see all my dreams	Turn off the light, turn off the light
Not everything in this magical world is quite what it seems	Turn off the light, turn off the light
I looked above the other day	I say follow me, follow me, follow me down, down, down,
'Cause I think I am good and ready for a change	down
I live my life by the moon	Till you see all my dreams, see all my dreams
If it's high (4) it low, if it's harvest go slow and if it's	Follow me, follow me, follow me down, down, down, down
full then go	Till you see all my dreams, see all my dreams
But after midnight morning will come	Turn off the light, turn off the light
And the day will see if you're gonna get some	Turn off the light, turn off the light
They say that girl ya know she act too tough, tough, tough	Turn off the light, (10) off the light
Well, it's till I turn off the light, turn off the light	Turn off the light, turn off the light
They say that girl you know she act so rough, rough, rough	
Well, it's (5) I turn off the light, turn off the light	©NELSTAR PUBLISHING INC
And I say follow me, follow me, (6) me down,	
down, down	
Till you see all my dreams	
Not (7) in this magical world is quite	
what it seems	
I'm searching for things that I just cannot see	
Why don't you, don't you come and be with me	
I pretend to be cool with me, want to believe
