Load up on guns and bring your friends	Here we are now, entertain us
It's fun to lose and to pretend	A mulatto, an albino
She's over-bored and self-assured	A mosquito, my libido
Oh no, I know a (1) word	Yeah, hey, yay
Hello, hello, how low?	And I (13) (14) why I taste
Hello, hello, how low?	Oh yeah, I (15) it makes me smile
Hello, hello, how low?	I found it hard, it's hard to find
Hello, hello, hello	Oh well, whatever, nevermind
With the (2) out, it's less dangerous	Hello, hello, how low?
Here we are now, (3) us	Hello, hello, how low?
I feel (4) and contagious	Hello, hello, how low?
Here we are now, entertain us	Hello, hello, hello
A mulatto, an albino	With the lights out, it's (16) dangerous
A mosquito, my libido	Here we are now, entertain us
Yeah, hey, yay	I feel stupid and contagious
I'm (5) at (6) I do best	Here we are now, entertain us
And for this (7) I feel blessed	A mulatto, an albino
Our (8) group has (9) been	A mosquito, my libido
And (10) will (11) the end	A denial, a denial
Hello, hello, how low?	A denial, a denial
Hello, hello, how low?	A denial, a denial
Hello, hello, how low?	A denial, a denial
Hello, hello, hello	A denial
With the lights out, it's less dangerous	
Here we are now, entertain us	
I feel (12) and contagious
