

## Fill in the gaps

Load up on guns and bring your friends		Here we are now, (8)	_ us
It's fun to lose and to pretend		A mulatto, an albino	
She's over-bored and self-assured		A mosquito, my libido	
Oh no, I know a (1) word		Yeah, hey, yay	
Hello, hello, how low?		And I forget (9) why I taste	
Hello, hello, how low?		Oh yeah, I guess it makes me smile	
Hello, hello, how low?		I found it hard, it's hard to find	
Hello, hello		Oh well, whatever, nevermind	
With the lights out, it's less dangerous		Hello, hello, how low?	
Here we are now, (2) us		Hello, hello, how low?	
I feel stupid and contagious		Hello, hello, how low?	
Here we are now, entertain us		Hello, hello, hello	
A mulatto, an albino		With the lights out, it's less dangerous	
A mosquito, my libido		Here we are now, entertain us	
Yeah, hey, yay		I feel stupid and contagious	
I'm worse at what I do best		Here we are now, entertain us	
And for (3) gift I feel blessed		A mulatto, an albino	
Our (4) group has (5)	been	A mosquito, my libido	
And (6) will until the end		A denial, a denial	
Hello, hello, how low?		A denial, a denial	
Hello, hello, how low?		A denial, a denial	
Hello, hello, how low?		A denial, a denial	
Hello, hello		A denial	
With the lights out, it's less dangerous			
Here we are now, entertain us
