Fill in the gaps

Change The World by Eric Clapton

If I could reach the stars
I'll pull one down for you
Shine it on my heart
So you could see the truth
And then love inside
Is everything it seems
But for now I find
It's only in my dreams
If I can change the world
I would be the sunlight in your universe
You would think my love would really something good
Baby if I could (1)_____ the world
If I (2)_____ a King
Even for a day
I'd (3)_____ you around my queen
I'd have it no other way
And our love would rule
This (4)_____ we (5)_____ made
Till then I'd be a fool
Wishin' for the day
That I can change the world
I would be the sunlight in your universe
You would think my love would really something good
Baby if I could change the world
Baby if I could change the world
I could change the world
I would be the sunlight in your universe
You would (6)_____ my love would really something good
Baby if I could, if I could change the world
If I could, If I could
If I (7)_____ change the world
If I could, if I could
If I could change the world
If I could, if I could
If I could change the world
If I (8)_____ change, if I could change the world
