Love You by Celine Dion

Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well maybe I, I need a little love yeah
But when I (1) of you	And maybe I, I need a little care
I long to feel your touch	And maybe I, maybe you, maybe you, maybe you
To whisper in your ear	Oh you need somebody just to (7) you
Words that are old as time	If you do, just reach out and I'll be there
Words only you would hear	I love you, please say
If only you were mine	You (8) me too
I wish I could go back to the very first day I saw you	Please say you love me too
Should've made my move when you looked in my eyes	Till the end of time
'Cause by now I know that you'd feel the way that I do	These three words
And I'd (2) these words as you'd lie here by	They could (9) our lives forever
my side	And I (10) you that we will always be
I love you, please say	together
You love me too, these three words	Oh, I love you
They could change our lives forever	Please say you love me too
And I promise you that we will always be together	Please please
Till the end of time	Say you love me too
So today, I finally find the courage deep inside	Till the end of time
Just to walk right up to your door	My baby
But my body can't move when I finally get to it	Together, together, forever
Just (3) a (4) times before	Till the end of time
Then without a word he handed me this letter	I love you
Read I hope this finds the way into your heart, it said	I will be your light
I (5) you, please say	Shining bright
You love me too, these three words	Shining through your eyes
They could change our lives forever	My baby
And I promise you that we will (6) be together
