

Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well maybe I, I need a (23) love yeah
But (1) I (2) of you	And maybe I, I need a little care
I long to (3) your touch	And maybe I, maybe you, maybe you, maybe you
To whisper in your ear	Oh you need somebody just to hold you
Words that are old as time	If you do, just reach out and I'll be there
Words only you would hear	I love you, please say
If (4) you were mine	You love me too
I wish I could go (5) to the very first day I saw you	Please say you (24) me too
Should've made my (6) when you	Till the end of time
(7) in my eyes	These three words
'Cause by now I (8) (9) you'd feel the	They (25) change our (26) forever
way that I do	And I promise you that we will always be together
And I'd whisper these (10) as you'd lie here by	Oh, I love you
my side	Please say you love me too
I love you, please say	Please please
You love me too, (11) three words	Say you love me too
They could change our (12) forever	Till the end of time
And I (13) you that we will always be	My baby
together	Together, together, forever
Till the end of time	Till the end of time
So today, I finally find the courage deep inside	I (27) you
Just to walk right up to your door	I (28) be your light
But my (14) can't (15) when I finally get	Shining bright
to it	Shining through your eyes
Just (16) a thousand times before	My baby
Then without a (17) he handed me this letter	
Read I hope this finds the way into (18) heart, it	
said	
I love you, please say	
You (19) me too, (20) three words	
They could change our lives forever	
And I (21) you that we (22)	
always be together
