Fill in the gaps

You (1)_____ talking to her But messing with me It's finally clear You're blurring the lines Are you disturbed? Oh, now you care Why do you race through my red lights? Can't understand? I'll slow it down for you Tell me, how can you sleep? How can you breathe? Baby, tell me how How you love me now Tell me, how can you sleep? How can you breathe? I (2)_____ when you say How you (3)_____ me now Save, (4)_____ it for her I'm not gonna hear Your reasons and please-just-take-me-backs We never (5)_____ right Don't waste your breath You crashed and you're on (6)_____ own tonight Can't understand?

I'll slow it (7)_____ for you Tell me, how can you sleep?

How can you breathe?
Baby, tell me how
How you love me now
Tell me, how can you sleep?
How can you breathe?
I hate when you say
How you love me now
Lights out
I found out
My falling star
Goodbye
The (8) is here
There's no more you and I
Tell me, how can you sleep?
How can you breathe?
Baby, tell me how
How you love me now
Tell me, how can you sleep?
How can you breathe?
I hate when you say
Thate when you say
How you (9) me now
