

## Fill in the gaps

There's talk on the street, it (1) so familiar	And he's holding her and you're (19) around, of
Great expectations, everybody's watching you	my my
People you meet they all (2) to (3) you	There's a new kid in town
Even your old friends treat you (4) you're	Just another new kid in town
something new	Everybody's talking 'bout the new kid in town
Johnny come lately, the new kid in town	Everybody's (20) like the new kid in town
Everybody loves you so don't let them down	There's a new kid in town
You (5) in her eyes, the (6)	I don't want to (21) it
(7) to play	There's a new kid in town
Hopeless romantics, here we go again	I don't want to (22) it
But (8) a while you're looking the other way	There's a new kid in town
It's those restless hearts that (9) mend	There's a new kid in town
Johnny come lately, the new kid in town	There's a new kid in town
Will she still love you when you're not around?	Everybody's talking
There's so (10) (11) you should	There's a new kid in town
have told her	People started walking
But (12) (13) night you're willing to	There's a new kid in town
hold her, just (14) her	There's a new kid in town
Tears on your shoulder	There's a new kid in town
There's talk on the street, it's there to remind you	
That it doesn't (15) matter which side you're	
on	
You're walking away and they're (16)	
behind you	
They will never (17) you (18)	
somebody new comes along	
Where you been lately? There's a new kid in town	
Everybody loves him, don't they?
