Chocolate by Kylie Minogue

Fill in the gaps

Fragile seems
I opened up too quick and all my dreams
Were woken up, I slowly (1) my fire
With every single man a river cried
I had no sensation
Completely numb, left with no satisfaction
I thought no one could ever get me high again
I swear, I was not lookin'
Oh, waited so long
I (2) the real thing was a fake
I thought it was a tool to break me down
You proved me wrong again
If love were (3) it would drown me
In a placeless place would (4) me
In a heart shape come (5) me
And then melt me slowly down
If love (6) human it would know me
In a lost space come and show me
Hold me and control me and then
Melt me slowly down like chocolate
Tastes so good
My heart's been mended who'd have (7) it would
An empty bet and still I won the cash

A man who I love and who loves me back

You proved me wrong again
If love were liquid it would drown me
In a placeless place would find me
In a heart shape (9) around me
And then melt me slowly down
If love were (10) it would know me
In a lost space come and show me
Hold me and control me and then
Melt me (11) like a chocolate
If love were liquid it would drown me
In a (13) place would (14) me
In a heart shape come around me
And then melt me (15) down
If love were human it would know me
In a lost space come and (16) me
Hold me and control me and then
Melt me (17) down

Zoom in, catch the smile
