

Fill in the gaps

(Da da da da, da da da	But it's always gonna come right back to this
Da da-da da da)	Please, don't leave me
I don't (1) if I can yell any louder	I forgot to say out loud
How many time have I kicked you (2) here?	How beautiful you really are to me
Or said something insulting?	I can't be without
I can be so mean when I wanna be	You're my (4) little punching bag
I am capable of really anything	And I (5) you
I can cut you into pieces	I'm sorry
When my heart is broken	(Da da da da, da da da
Please don't leave me	Da da-da da da)
Please don't leave me	Please, please don't leave me
I always say how I don't need you	Baby please don't (6) me (No, don't leave me)
But it's always gonna come right back to this	Please don't leave me no no no
Please, don't leave me	You say I don't need you
How did I become so obnoxious?	But it's always (7) come right back to this
What is it (3) you that makes me act like this?	Please don't leave me
I've never been this nasty	Please don't leave me
Can't you tell that this is all just a contest?	I always say how I don't need you
The one that wins will be the one that hits the hardest	But it's (8) gonna (9) right back to
But baby I don't mean it	this
I mean it, I promise	Please don't leave me
Please don't leave me	Please don't leave me
Please don't leave me	
I always say how I don't need you
