I Drove All Night by Celine Dion

I had to escape
The (1)_____ was sticky and cruel
Maybe I should have called you first
But I was (2)_____ to get to you
I was dreaming while I drove
The long straight road ahead, uh uh yeah
Could (3)_____ your sweet kisses
Your arms open wide
This fever for you
Is just burning me up inside
I drove all night to get to you
Is that alright?
I drove all night, crept in your room
Woke you from your sleep
To make love to you
Is that alright? I drove all night
What in this world
Keeps us from (4)_____ apart?
No matter where I go, I hear
The beating about our one heart
I (5)_____ about you
When the night is cold and dark, uh uh yeah
No one can move me
The way that you do
Nothing erases this feeling

Between me and you
I drove all night to get to you
Is that alright?
I drove all night, crept in your room
Woke you from your sleep
To make love to you
Is that alright? I (6)_____ all night
I taste (7)_____ sweet kisses
Your arms open wide
This fever for you
Is just burning me up inside
I (8)_____ all night to get to you
Is that alright?
