I Drove All Night by Celine Dion

I had to escape

The city was (1)_____ and cruel

Maybe I should have (2)_____ you first

But I was dying to get to you

I was dreaming while I drove

The long straight road ahead, uh uh yeah

Could taste your sweet kisses

Your arms open wide

This fever for you

Is just burning me up inside

I drove all night to get to you

Is that alright?

I drove all night, crept in your room

Woke you from your sleep

To make love to you

Is that alright? I drove all night

What in (3)_____ world

Keeps us from falling apart?

No (4)_____ where I go, I hear

The beating about our one heart

I think (5)_____ you

When the night is cold and dark, uh uh yeah

No one can move me

The way that you do

Nothing erases this feeling

Between me and you

I drove all night to get to you

Is (6)_____ alright?

I drove all night, crept in your room

Woke you from your sleep

To make love to you

Is that alright? I drove all night

I taste your sweet kisses

Your arms open wide

This fever for you

Is just burning me up inside

I drove all night to get to you

Is (7)_____ alright?

I drove all night, crept in (8)_____ room

Is that alright? I drove all night

I drove all (9)_____ to get to you

Is that alright?

I drove all night, crept in your room

Is that alright?
