

You, you're (1) a big star to me
You're (2) I wanna be
But you're stuck in a hole
And I want you to get out
I don't know what there is to see
But I know it's time for you to leave
We're all just pushing along
Trying to figure it out, out, out
All your anticipation (3) you down
When you can have it all
You can have it all, all, all
So come on, come on, get it on
I don't know what you're (4) for
Your (5) is coming don't be late, hey hey
So come on, see the light on your face
Let it shine, just let it shine, let it shine
Stop being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come 'round
You only have to open your eyes
You might just get a big surprise
And it may feel good
And you might want to smile, smile, smile
Oh don't you let your demons pull you down
'Cause you can have it all
You can have it all, all, all
So come on come on got it on
