

## Fill in the gaps

| I'm holding on your rope                         |
|--|
| Got me ten feet off the ground                   |
| And I'm hearing what you say                     |
| But I just can't make a sound                    |
| You (1) me that you need me                      |
| Then you go and cut me down, but wait            |
| You (2) me that you're sorry                     |
| Didn't think I'd turn around and say             |
| That it's too late to apologize, it's too late   |
| I said it's too late to apologize, it's too late |
| I'd take another chance, take a fall             |
| Take a shot for you                              |
| And I need you like a heart (3) a beat           |
| But that's nothing new, yeah yeah                |
| I (4) you with a fire red, now it's turning blue |
| And you say sorry like the angel                 |
| Heaven let me think was you                      |
| But I'm afraid                                   |

| It's too late to apologize, it's too late        |
|--|
| I (5) it's too (6) to apologize, it's too        |
| late, whoa whoa                                  |
| It's too late to apologize, it's too late        |
| I said it's too late to apologize, it's too late |
| I said it's too (7) to apologize, yeah           |
| I (8) it's too (9) to apologize, yeah            |
| I'm holding on your rope                         |
| Got me ten feet off the ground                   |
