He left no time to regret, kept his **** wet	We only (8) goodbye with words
With his (1) old safe bet	I died a hundred times
Me and my head high and my tears dry	You go back to her
Get on without my guy	And I go (9) to
You went back to what you knew so far removed	Black, black, black
From all that we went through	Black, black, black
And I (2) a troubled track, my odds are stacked	I go back to
I'll go (3) to black	I go back to
We only said goodbye with words	We only said goodbye with words
I (4) a hundred times	I died a hundred times
You go back to her	You go back to her
And I go back to, I go back to us	And I go back to
I love you much, it's not enough	We only said goodbye with words
You love **** and I (5) puff	I died a (10) times
And life is (6) a pipe	You go back to her
And I'm a tiny penny rolling up the walls inside	And I go back to black
We only said goodbye with words	
I died a hundred times	
You go back to her	
And I go (7) to
