

## Fill in the gaps

Remember the feelings, remember the day		But (14) some time you just pushed me aside	
My (1) (2)	was breaking	You never thought that a (15) could	be strong
My love ran (3)		Now I'll show you how to go on	
This moments I knew I (4)	be someone else	Be my bad boy, be my man	
My love turned (5)	and I (6)	Be my week-end (16)	
Be my bad boy, be my man		But don't be my (17)	
Be my week-end lover		You can be my bad boy	
But don't be my friend		But (18)	
You can be my bad boy		That I don't (19) you in my (20)	again
But (7)		Won't you be my bad boy, be my man	
That I don't need you in my (8)_	again	Be my week-end lover	
Won't you be my bad boy, be my man		But don't be my (21)	
Be my week-end lover		You can be my bad boy	
But don't be my (9)	_	But understand	
You can be my bad boy		That I don't (22) you again	
But (10)	_	No I don't need you (23)	
That I don't need you (11)			
No I don't need you again			
You once (12) this pr	omise		
To stay by my (13)
