

Fill in the gaps

Beauty queen of only eighteen
She had some trouble with herself
He was always there to help her
She always (1) to someone else
I drove for miles and miles
And (2) up at your door
I've had you so many times
But somehow I want more
I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
And she (3) be loved
Tap on my window knock on my door
I want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter anymore
It's not always (4) and butterflies
It's compromise that moves us along, yeah
My heart is full and my door's always open
You come anytime you want
I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved

And she will be loved
And she will be loved
And she will be loved
I know where you hide alone in your car
Know all of the things that make you who you are
I know that goodbye (5) nothing at all
Comes back and begs me to catch her every time she falls,
yeah
Tap on my window knock on my door
I want to make you feel beautiful
I don't (6) spending every day
Out on (7) corner in the pouring rain
Look for the girl with the broken smile
Ask her if she (8) to stay awhile
And she will be loved
And she will be loved
And she (9) be loved
(Please don't try so hard to say goodbye)
And she will be loved
Please don't try so hard to say goodbye
Please don't try so hard to say goodbye
(I don't mind spending every day)
(Out on your corner in the pouring rain)
Please don't try so hard to say goodbye
