# Sk8er Boi by Avril Lavigne

## Fill in the gaps

He was a boy
She was a girl
Can I (1) it any more obvious?
He was a punk
She did ballet
What (2) can I say?
He wanted her
She'd never tell
Secretly she wanted him as well
But all of her friends
Stuck up their nose
And they had a problem
With his baggy clothes
He was a (3) boy
He was a (3) boy She said, " See you later boy"
She said, " See you later boy"
She said, " See you later boy"  He wasn't good (4) for her
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face  But her head was up in space
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face  But her head was up in space  She needed to come back
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face  But her head was up in space  She needed to come back
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face  But her head was up in space  She needed to come back  Down to earth
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face  But her head was up in space  She needed to come back  Down to earth  5 years (5) now
She said, " See you later boy"  He wasn't good (4) for her  She had a pretty face  But her head was up in space  She needed to come back  Down to earth  5 years (5) now  She sits at home

Guess who she sees

## Fill in the gaps

She calls up her friends	
They already know	
And they've all got	
Tickets to see his show	
She (6) along	
Stands in the crowd	
Looks up at the man	
That she turned down	
He was a skater boy	
She said, "See you later boy"	
He wasn't (7) enough for her	
Now he's a super star	
Slamming on his guitar	
Does your pretty face	
See what he's worth?	
He was a skater boy	
She said, "See you later boy"	
He wasn't good enough for her	
Now he's a super star	
Slamming on his guitar	
Does (8) pretty face	
See (9) he's worth?	
Sorry girl but you missed out	
Well tough luck (10) boy's mine now	
We are more (11) just (12)	friends

#### This is how the story ends

Too bad (13) you couldn't see
See the man (14) boy could be
There is (15) (16) meets the eye
I see the soul that is inside
He's (17) a boy
And I'm just a girl
Can I make it any more obvious?
We are in love
Haven't you heard?
How we rock (18) world?
I'm (20) the skater boy
I said see you later boy
I'll be (21) after the show
I'll be at the studio
Singing the (23) we wrote
About a girl you used to know
I'm with the (24) boy
I said, "See you later boy"
I'll be back stage after the show
I'll be at the studio
Singing the song we wrote
About a girl you used to know
