

## Fill in the gaps

On the first part of the journey		La la la la la	
I was (1)	at all the life	La la la la	
There were plants and birds and rocks and things		La la la la la	
There was sand and hills and rings		La la la la la	
The first thing I met was a fly with a buzz		After nine days I let the horse run free	
And the sky with no clouds		'Cause the desert had turned to sea	
The heat was hot and the ground was dry		There were plants and birds and rocks and things	
But the air was (2) of sound		There was sand and hills and rings	
I've (3) through	gh the desert on a horse with no	The ocean is a (7) with i	t's life underground
name		And a perfect disguise above	
It felt good to be out of the rain		Under the cities lies a heart made of ground	
In the desert you can remember your name		But the humans will give no love	
'Cause there ain't no one for to give you no pain		You see I've (8) through the	e desert on a horse
La la la la la		(9) no name	
La la la la la		It felt good to be out of the rain	
La la la la la		In the desert you can remember your name	
La la la la la		'Cause there ain't no one for to give you no pain	
After two days in the desert sun		La la la la la	
My skin began to turn red		La la la la la	
After three (4) ii	n the desert fun	La la la la	
I was looking at a river bed		La la la la la	
And the (5) it	told of a river that flowed		
Made me sad to think it was dead
