## Home Again by Michael Kiwanuka

Many times I've been told

## Fill in the gaps

| Home again                 | Speak your mind, just be bold |
|----------------------------|-------------------------------|
| Home again                 | So I'll close my eyes         |
| One day I know             | Won't look behind             |
| 'll (1) home again         | Movin' on                     |
| Wrong again                | Movin' on                     |
| Wrong again                | So, I'll close my eyes        |
| One day I know             | And the tears will clear      |
| 'Il feel strong again      | Then I'll feel no fear        |
| And lift my head           | Then I'd feel no way          |
| Many times                 | Bypass (4) we made straight   |
| 've (2) told               | Home again                    |
| All this talk              | Home again                    |
| Will make you old          | One day I know                |
| So, I'll close my eyes     | I'll feel (5) again           |
| Won't look behind          | Wrong again                   |
| Movin' on                  | Wrong again                   |
| Movin' on                  | One day I know                |
| So I'll close my eyes      | I'll feel strong again        |
| Won't look behind          | And lift my head              |
| Movin' on                  | Many times                    |
| _ost again                 | I've been told                |
| _ost again                 | All this talk (6) (7) you old |
| One day I know             | So I'll close my eyes         |
| Our paths will cross again | Won't look behind             |
| Smile again                | Movin' on                     |
| Smile again                | Movin' on                     |
| One Day I hope             | So I'll (8) my eyes           |
| 'll make you (3) again     | Won't look behind             |
| And I won't hide           | Movin' on                     |

## Fill in the gaps

- 1. feel
- 2. been
- 3. smile
- 4. what
- 5. home
- 6. will
- 7. make
- 8. close
