was there to witness	What are you doing this for?
Candice's inner bussines	Now tell me
She wants the boys to notice	Hey ho here she goes
Her rainbows and her ponnies	Either a little too high or a little too low
She was educated	Got no self-esteem and vertigo
But could not count to ten	Because she thinks she's made of candy
How she got lots of different horses	Hey ho here she goes
By (1) of different men	Either a little too loud or a little too close
And I say	There's a hurricane in the back of her throat
liberate your sons and daughters	And she thinks (5) made of candy
Γhe (2) is high	Liberate your sons and daughters
But in the (3) there's water	The bush is high
ou can get some, when they give it	But in the hole there's water
Nothing sacred, but it's a living	As you win she'll be the Hollywood love
Hey ho here she goes	And if you don't feel good
Either a little too high or a little too low	What are you doing this for?

Because she thinks she's made of candy	Hey ho here she goes

Father beat the system	Either a little too high or a little too low
By moving bricks to Brixton	Got no self-esteem and vertigo
And learning how to fix them	Because she thinks she's made of candy

Γhe bush is high	Either a little too loud or a little too close
