Come on skinny love just last the year		Come on skinny love what (7) here				
Pour a little salt, we (1) never here	never here		We suckled on the hope in (8) brassieres			
My, my, my, my, my, my, my		My, my, my, my, my, my, my				
Staring at the sink of blood and (2)	_ veneer	Sullen (9)	_ is full, so (10)	on	the spli	
(3) my love to wreck it all		And I told you to be patient				
Cut out all the (4) and let me fall		And I (11)	_ you to be fine			
My, my, my, my, my, my, my		And I (12)	_ you to be balanced			
Right in this (5) this order's tall		And I (13) you to be kind				
told you to be patient		And now all your love is wasted				
told you to be fine		And who the (14)	was I?			
And I (6) you to be balanced		I'm (15)	at the	at the bridges		
And I told you to be kind		And at the end of all your lines				
n the morning I'll be with you		Who will love you?				
But it will be a different kind		Who will fight?				
'll be holding all the tickets		Who (16)	(17)	far behind?		
And you'll be owning all the fines
