

Fill in the gaps

Shadows settle on the place, that you left.		and you caused it
Our (1) are (2)	by the	and you caused it
emptiness.		and you caused it
Destroy the middle, it's a waste of time.		Well I've lost it all, I'm just a silouhette,
From the perfect start to the finish line.		A lifeless face that you'll (6) forget,
And if you're still breathing, you're the (3)	ones.	My eyes are damp from the words you left,
'Cause most of us are heaving through corrupted lungs	S.	Ringing in my head, when you (7) my chest
Setting fire to our (4) for fun		Ringing in my head, when you broke my chest.
Collecting names of the lovers that went wrong		And if you're in love, then you are the lucky one,
The lovers that went wrong.		'Cause most of us are bitter over someone.
We are the reckless,		Setting (8) to our insides for fun,
We are the wild youth		To distract our hearts from ever missing them.
Chasing visions of our futures		But I'm forever missing him.
One day we'll reveal the truth		And you (9) it,
That one will die before he gets there.		And you caused it,
And if you're still bleeding, you're the lucky ones.		And you caused it
'Cause most of our feelings, they are dead and they ar	e gone.	
We're setting fire to our insides for fun.		
Collecting pictures from the flood that wrecked our hor	ne,	
It was a flood (5) wrecked this
