

Candles by Daughter

Fill in the gaps

That boy, take me away, into the night
Out of the hum of the (1)_____ lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn (2)_____ by a wolf in mask of a familiar name on a (3)_____ card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things (4)_____ be reversed, we (5)_____ from the times we are cursed
Things cannot be reversed, learn (6)_____ the ones we (7)_____ the worst
And learn from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart (8)_____ my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only (9)_____ the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just (10)_____ out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Fill in the gaps

Answer

1. street
