If I'm James Dean, You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight	They say that (13) is forever
If you want to	Your forever is all that I need
I can (1) you	Please stay as long as you need
What my dreams are made of,	Can't promise that things won't be broken
as I'm dreaming of your face	But I swear that I will never leave
I've (2) away for a long time	Please stay forever (14) me
Such a long time	The way that we are
And I miss you there	It's the reason I stay
I can't (3) being (4)	As long as you're here (15) me
else	I know we'll be Ok
I can't imagine (5) anywhere else but here	The way that we are
How the hell did you ever pick me?	It's the reason I stay
Honestly, I could sing you a song	As long as you're here with me
But I don't think words can express your beauty	I know I'll be Ok
It's singing to me	They say that love is forever
How the (6) did we end up like this?	Your (16) is all that I need
You bring out the beast in me	Please stay as long as you need
I fell in love from the moment we kissed	Can't promise that things won't be broken
Since then we've (7) history	But I (17) that I will (18) leave
They say that (8) is forever	Please stay forever (19) me
Your forever is all that I need	(I couldn't love just anyone, I was created to love just one
Please stay as long as you need	baby)
Can't (9) that things won't be broken	They say that love is forever
But I swear (10) I will never leave	Your forever is all that I (20)
Please stay forever with me	(I couldn't love just anyone, I was created to (21)
It goes to show, I hope that you know that you are	just one girl)
What my dreams are made of	Please stay as long as you need
Can't fall asleep, can't fall asleep	(I couldn't (22) (23) anyone, I was
I lay in my bed awake, in my bed (11) at night	created to (24) just one baby)
As I dream of you	Can't (25) that things won't be broken
I'll (12) in love, you'll fall in love	But I swear that I will never leave
It could mean everything, everything to me	(I couldn't (26) just anyone, I was created to love
I can't imagine being anywhere else	(27) one girl)
	Please stay forever with me
