SUB inglés

Fill in the gaps

If I'm James Dean, You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight	They say that love is forever
f you want to	Your forever is all that I need
can show you	Please stay as long as you need
What my dreams are made of,	Can't promise (7) things won't be broken
as I'm dreaming of your face	But I swear that I will never leave
ve been away for a long time	Please stay forever with me
Such a long time	The way that we are
And I miss you there	It's the reason I stay
can't (1) being anywhere else	As long as you're here with me
can't imagine being anywhere else but here	I know we'll be Ok
How the (2) did you ever pick me?	The way that we are
Honestly, I could (3) you a song	It's the reason I stay
But I don't think words can express your beauty	As long as you're here with me
t's singing to me	I know I'll be Ok
How the hell did we end up like this?	They say that love is forever
You bring out the beast in me	Your forever is all that I need
fell in love (4) the moment we kissed	Please stay as long as you need
Since then we've been history	Can't promise that things won't be broken
They say that (5) is forever	But I swear that I will never leave
Your forever is all that I need	Please stay forever (8) me
Please stay as (6) as you need	(I couldn't love just anyone, I was (9) to
Can't promise that things won't be broken	love just one baby)
But I swear that I will never leave	They say (10) love is forever
Please stay forever with me	Your forever is all that I need
t goes to show, I hope that you know that you are	(I couldn't love just anyone, I was created to love just one girl)
What my dreams are made of	Please stay as long as you need
Can't fall asleep, can't fall asleep	(I couldn't love just anyone, I was created to love just one
lay in my bed awake, in my bed awake at night	baby)
As I dream of you	Can't promise that things won't be broken
'll fall in love, you'll fall in love	But I swear that I will never leave
t could mean everything, everything to me	(I couldn't love just anyone, I was created to love just one girl)
can't imagine being anywhere else	Please stay forever with me
