

Fill in the gaps

A Thousand Years by Christina Perri

Heart (1) fast	I have (12) everyday waiting for you
Colors and promises	Darling don't be afraid, I have (13) you
How to be brave	For a thousand (14)
How can I love when I'm afraid to fall	I'll love you for a thousand more
But (2) you (3) alone	All along I (15) I would (16)
All of my doubt	you
Suddenly (4) away (5)	Time has brought your (17) to me
One step closer	I have loved you a thousand years
I (6) (7) everyday waiting for you	I'll (18) you for a (19) more
Darling don't be afraid, I have loved you	One step (20)
For a (8)(9)	One (21) closer
I'll love you for a thousand more	I (22) (23) everyday waiting for you
Time stands still	Darling don't be afraid, I have loved you
Beauty in all she is	For a thousand years
I will be brave	I'll love you for a (24) (25)
l will not let (10) (11) away	All along I believed I would find you
But standing in front of me	Time has (26) (27) heart to me
Every breath, every hour has come to this	I have loved you for a thousand years
One step closer	I'll love you for a thousand more
