

Fill in the gaps

Rosemary, heaven restores you in life
You're coming with me
Through the aging, the fearing, the strife
It's the smiling on the package
It's the faces in the sand
It's the thought that moves you upwards
Embracing me with two hands
Right will take you places
Yeah maybe to the beach
When your friends they do come crying
Tell them now your pleasure's set upon slow release
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?
It took a life (1) with no cell mate
The long way back

Sandy, why can't we look the (2) way?
He speaks about travel
He speaks about travel
He speaks about travel Yeah we think about the land
He speaks about travel Yeah we think about the land We smart like all peoples
He speaks about travel Yeah we think about the land We smart like all peoples Feeling real tan
He speaks about travel Yeah we think about the land We smart like all peoples Feeling real tan I could take you places
He speaks about travel Yeah we think about the land We smart like all peoples Feeling real tan I could take you places Do you need a new man?
He speaks about travel Yeah we think about the land We smart like all peoples Feeling real tan I could take you places Do you need a new man? Wipe the (3) from the faces
He speaks about travel Yeah we think about the land We smart like all peoples Feeling real tan I could take you places Do you need a new man? Wipe the (3) from the faces Make revision to a dream while you wait in the van
He speaks about travel Yeah we think about the land We smart like all peoples Feeling real tan I could take you places Do you need a new man? Wipe the (3) from the faces Make revision to a dream while you wait in the van Hey wait

It took a life span with no (4) mate	
To find the long way back	
Sandy, why can't we look the other way?	
You're weightless, you are exotic	
You (5) something for which to care	
Sandy, why can't we look the other way?	
Leave some shards (6) the belly	
Lay some (7) inside my hand	
It's a sentimental jury	
And the makings of a good brand	
You've come to love me lightly	
Yeah you come to hold me tight	
Is this motion ever lasting	
Or just shutters pass through the night?	
Rosemary, (8) restores you in li	fe
I spent a life span with no cell mate	
The (9) way back	
Sandy, why can't we look the other way?	
You're weightless, semi-erotic	
You (10) someone to take you there	
Sandy, why can't we look the other way?	
Why can't we just play the other game?	
Why can't we just look the other way?
