

Fill in the gaps

Evil by Interpol

Rosemary, (1)_____ restores you in life
You're coming with me
Through the aging, the fearing, the strife
It's the smiling on the package
It's the faces in the sand
It's the thought that moves you upwards
Embracing me (2)_____ two hands
Right (3)_____ take you places
Yeah maybe to the beach
When your friends they do come crying
Tell (4)_____ now your pleasure's set upon slow release
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?
It took a life (5)_____ with no cell mate
The (6)_____ way back
Sandy, why can't we (7)_____ the other way?
He speaks (8)_____ travel
Yeah we think about the land
We smart (9)_____ all peoples
Feeling (10)_____ tan
I (11)_____ (12)_____ you places
Do you (13)_____ a new man?
Wipe the pollen from the faces
Make revision to a dream while you wait in the van
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?

It took a (14)_____ (15)_____ with no cell mate
To find the long way back
Sandy, why can't we look the (16)_____ way?
You're weightless, you are exotic
You need something for (17)_____ to care
Sandy, why can't we (18)_____ the other way?
Leave (19)_____ shards under the belly
Lay some grease inside my hand
It's a sentimental jury
And the makings of a good brand
You've come to love me lightly
Yeah you (20)_____ to (21)_____ me tight
Is this motion ever lasting
Or just shutters pass through the night?
Rosemary, heaven (22)_____ you in life
I spent a life (23)_____ with no (24)_____ mate
The long way back
Sandy, why can't we look the (25)_____ way?
You're weightless, semi-erotic
You need someone to (26)_____ you there
Sandy, why can't we look the other way?
Why can't we just play the other game?
Why can't we just look the other way?
