Take Me As I Am by David Cook

Fill in the gaps

This is no escape	Let me in your heart
This is no surrender	Right where you stand
My dear	Take me as I am
This is my parade	Give a second chance
My happy ever after	We can take tomorrow
Only if you're here	Make it better, you and me
When I'm lost and broken	Give me one (4) try
Take me as I am	Before we say goodbye
Right here where I stand	Right here in this moment
Open up your arms and let me in	Here forever
Out here on my own	Everyday
I know I'm not alone	Take me as I am
Let me in (1) heart	Right here where I stand
Right where you stand	Open up your arms
Take me as I am	Take me as I am
We can (2) tonight	Right (5) where I stand
And (3) it last forever	Open up your (6) and let me in
If you dare	Out here on my own
Ooh, we can run away	I (7) I'm not alone
Take the world together	Let me in your heart
Only if you care	Right where you stand
With these words unspoken	Take me as I am
Take me as I am	Take me as I am
Right here where I stand	Take me as I am
Open up your arms and let me in	Take me as I am
Out here on my own	Take me as I am
I know I'm not alone
