Right from the start	Just a little bit's enough
You were a thief you stole my heart	Just a second we're not broken (6) bent
And I your willing victim	And we can learn to love again
let you see the parts of me	It's in the stars
That weren't all that pretty	Adictivoz.com Adictivoz.com
And with every touch you fixed them	It's been written in the scars on our hearts
Now you've been talking in your sleep	You're not broken just bent
Things you never say to me	And we can learn to (7) again
Tell me that you've had enough	I never stopped
Of our love, our love	You're still (8) in the scars on my hear
Just give me a reason	Your not broken just bent and we can learn to love again
Just a little bit's enough	Oh tears ducts and rust
Just a second we're not (1) just bent	I'll fix it for us
And we can learn to love again	We're collecting dust but our love's enough
t's in the stars	You're holding it in
t's been written in the scars on our hearts	You're pouring a drink
We're not broken just bent	No nothing is as bad as it seems
And we can learn to love again	We'll come clean
m sorry I don't understand where all of this is	Just give me a reason
