

Impossible by James Arthur

I remember (1)_____ ago	Tell them all I know now
Someone told me I (2)_____ take	Shout it from the roof tops
Caution when it comes to love	Write it on the sky line
I did...	All we had is (7)_____ now
And you were strong and I was not	Tell them I was happy
My illusion, my mistake	And my heart is broken
I was careless, I forgot	All my (8)_____ are open
I did...	Tell them (9)_____ I hoped would be
And now (3)_____ all is done	Impossible, impossible
There is nothing to say	Impossible, impossible
You have gone and so effortlessly	Impossible, impossible
You have won	Impossible, impossible!
You can go ahead tell them	Ooh impossible (yeah yeah)
Tell them all I know now	I remember years ago
Shout it from the roof tops	Someone told me I should take
Write it on the sky line	Caution when it comes to love
All we had is gone now	I did...
Tell them I was happy	Tell them all I know now
And my heart is broken	Shout it from the roof tops
All my scars are open	Write it on the sky line
Tell (4)_____ what I hoped would be	All we had is gone now
Impossible, impossible	Tell them I was happy
Impossible, impossible	And my heart is broken
Falling out of (5)_____ is hard	All my scars are open
Falling for betrayal is worst	Tell them what I hoped would be
Broken trust and broken hearts	Impossible, impossible
I know, I know...	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building faith on love and words	I remember years ago
Empty promises (6)_____ wear	Someone (10)_____ me I should take
I know, I know...	Caution when it comes to love
And now when all is gone	I did...
There is nothing to say	
And if you're done with embarrassing me	
On your own you can go ahead tell them
