

Fill in the gaps

A Tousand Years by Christina Perri

Heart beats fast	I (11) (12) everyday waiting for you
Colors and promises	Darling don't be afraid, I (13) loved you
How to be (1)	For a (14) years
How can I (2) when I'm afraid to fall	I'll love you for a (15) more
But watching you stand (3)	All along I (16) I would find you
All of my doubt	Time has brought your heart to me
Suddenly goes away somehow	I (17) you a thousand
One step closer	(19)
I have (4) everyday waiting for you	I'll love you for a (20) more
Darling don't be afraid, I have loved you	One step closer
For a thousand (5)	One step (21)
I'll love you for a thousand (6)	I (22) died everyday waiting for you
Time stands still	Darling don't be afraid, I have loved you
Beauty in all she is	For a thousand years
I (7) be brave	I'll love you for a (23) more
I will not let anything Take away	All along I believed I would find you
But standing in (8) of me	Time has brought your heart to me
Every breath, every (9) has come to this	I have loved you for a thousand years
One (10) closer	I'll love you for a (24) more
