

Fill in the gaps

Follow You Down by Gin Blossoms

Did you see the sky, I think it means that we've been lost	How you gonna ever (13) your place
Maybe one less time is all we need	Runnin' in an (14) pace
can't really (1) it if my tongue's all tied in knots	Are they gonna find us lying (15) in
Jumping off a bridge, it's just the farthest that I've ever been	the sand
Anywhere you go, I'll (2) you down	So what the hell, have we already been (17)
Anyplace, but those I (3) by heart	damned?
Anywhere you go, I'll follow you down	Anywhere you go, I'll (18) you down
'll (4) you down, but not that far	Anyplace, but those I know by heart
(5) we're headed somewhere, I can see how far	Anywhere you go, I'll (19) you down
we've come	I'll follow you down, but not (20) far
But still, I can't remember anything	Anywhere you go, I'll follow you down
_et's not do the wrong thing and I (6) it might be	Anyplace, but those I know by heart
iun	Anywhere you go, I'll follow you down
t's a long way down when all the (7) we've	I'll follow you down, but not (21) far (follow you
(8) (9) (10) undone	down)
Anywhere you go, I'll (11) you down	I'll follow you down, but not that far (follow you down)
Anyplace, but those I (12) by heart	I'll follow you down, but not (22) far (follow you
Anywhere you go, I'll follow you down	down)
'll follow you down, but not that far	I'll (23) you down, but not (24) fa
Whoooo!	(follow you down)
