

Fill in the gaps

Wheels are turning	Must have been a fool till the bitter end
I (1) you (3)	Now I (16) on to (17) that I'll have you
mine	back again
Just to reach you	I'd bargain and I'd (18) But there's another
Baby I'd (4) in line	world you're living in tonight
There's another world	Don't want (19) picture on my cell phone
We're living in tonight	I want you here with me
There's another heart	Don't want your memory in my head, no
That's fading the light	I want you here with me
Don't (5) (6) (7) on	I saw you in a restaurant the other day
my cell phone	And instead of walking towards you
I want you (8) with me	I ran away
Don't want those memories in my head, no	And I keep on waiting for you
I want you here (9) me	That you'd (20) around
Spent the summer (10) laying out in the sun	Come around and say
Time seems to move so slowly	Don't (21) picture on my cell phone
When you're taking it as it comes	I want you (23) with me
Maybe we were just too young	Don't (24) those memories in my head, no
Your (11) was tan and your hair was long	I want you here with me
You (12) me your smile and my cares	Oh, (25) with me
(13) gone	Oh, here with me
Falling in love filled my (14) (15) fright	
You said	
Come on babe, it'll be alright
