wheels are turning	Must have been a fool (/) the bitter end
I remember when you were mine	Now I hold on to hope that I'll have you back again
Just to reach you	I'd bargain and I'd fightv But there's another world you're living
Baby I'd stand in line	in tonight
There's another world	Don't want (8) (9) on my cell
We're living in tonight	phone
There's another heart	I want you here with me
That's fading the light	Don't want your memory in my head, no
Don't want (1) picture on my cell phone	I want you here with me
I want you (2) with me	I saw you in a restaurant the other day
Don't (3) (4) memories in my head,	And instead of walking towards you
no	I ran away
I want you here with me	And I keep on waiting for you
Spent the summer just laying out in the sun	That you'd come around
Time seems to move so slowly	Come around and say
When you're (5) it as it comes	Don't want your picture on my cell phone
Maybe we were just too young	I want you here with me
Your body was tan and your hair was long	Don't want those memories in my head, no
You showed me your smile and my cares were gone	I want you here with me
Falling in love (6) my soul with fright	Oh, here with me
You said	Oh, here with me
Come on babe, it'll be alright
