

Fill in the gaps

If I could spend the rest of my life with my people, I would do it	But we grow up, at least that's what they say
over and over again	We can't do this when we pray, but I tell myself everyday that
Leave it up to them to (1) up their steeple, leave it	none of that applies
up to us to fill up on our friends	If I (5) spend the rest of my life with my people, I
If I (2) spend the rest of my life with my people, I	would do it over and over again
would do it over and over again	Leave it up to them to fill up their steeple, leave it up to us to
I'm within my mind and I (3) there's no equal	fill up on our friends
When I'm fallin out yo they (4) me back in	If I could spend the rest of my life with my people, I would do it
It was long ago and we were younger so	over and over again
And our lives we part wrote	I live in my mind and I know there's no equal
Feel it, feeling Yeah	When I'm fallin out yo they pull me back in
And I remember everyday, sometimes it's too much to take	All I really need, is all I have ever seen
I break down, without no heartache	Only thing works for me is to feel it, feeling
And I mean it, and I mean it	And when we (6) to leave and others turn to be
If I could spend the rest of my life with my people, I would do it	It's always on my sleeve
over and over again	And I mean it, and I mean it
Leave it up to them to fill up their steeple, leave it up to us to	If I (7) spend the rest of my life with my people, I
fill up on our friends	would do it over and over again
If I could spend the rest of my life with my people, I would do it	Leave it up to them to fill up (8) steeple, leave it
over and over again	up to us to fill up on our friends
I'm live in my mind and I know there's no equal	If I could (9) the rest of my life with my people, I
When I'm fallin out yo they pull me back in	would do it over and over again
They say we've had fun but let this go	I live in my mind and I know there's no equal
Music don't go deep but no	When I'm fallin out yo they pull me back in
We think we could help this world if only we try	

- 1. fill
- 2. could
- 3. know
- 4. pull
- 5. could
- 6. turn
- 7. could
- 8. their
- 9. spend
