

## Fill in the gaps

If I (1) spend the rest of my life with my people, I	But we (10) up, at (11) that's what
would do it over and over again	(12) say
Leave it up to them to (2) up their steeple, leave it	We can't do this (13) we pray, but I tell mysel
up to us to fill up on our friends	everyday that none of that applies
If I could spend the (3) of my life with my people, I	If I could spend the (14) of my life with my people,
would do it over and over again	would do it (15) and over again
I'm within my mind and I know there's no equal	Leave it up to (16) to fill up (17)
When I'm fallin out yo they (4) me (5) in	steeple, leave it up to us to fill up on our friends
It was long ago and we were younger so	If I could (18) the rest of my life with my people,
And our lives we part wrote	would do it over and over again
Feel it, feeling Yeah	I live in my (19) and I know there's no equal
And I remember everyday, sometimes it's too much to take	When I'm fallin out yo (20) pull me back in
I break down, without no heartache	All I really need, is all I have ever seen
And I mean it, and I mean it	Only (21) works for me is to feel it, feeling
If I could spend the rest of my life with my people, I would do it	And when we turn to (22) and others turn to be
over and over again	It's (23) on my sleeve
Leave it up to them to fill up their steeple, leave it up to us to	And I mean it, and I (24) it
fill up on our friends	If I could spend the rest of my life with my people, I
If I could spend the rest of my life (6) my people, I	(25) do it over and over again
would do it over and over again	Leave it up to them to fill up their steeple, (26) i
I'm (7) in my mind and I know there's no equal	up to us to fill up on our friends
When I'm fallin out yo they pull me (8) in	If I could spend the rest of my life (27) my people,
They say we've had fun but let this go	would do it over and over again
Music don't go deep but no	I live in my mind and I know there's no equal
We think we could help (9) world if only we try	When I'm fallin out yo they pull me back in
