Rest Of My Life by Soja

Fill in the gaps

| If I could spend the rest of my life with my people, I would do it | But we grow up, at least that's what they say |
|--|--|
| over and over again | We can't do this when we pray, but I tell myself everyday that |
| Leave it up to (1) to fill up their steeple, leave it up | none of that applies |
| to us to (2) up on our friends | If I could spend the rest of my life with my people, I |
| If I could spend the rest of my life with my people, I | (5) do it over and over again |
| (3) do it over and over again | Leave it up to them to fill up their steeple, leave it up to us to |
| I'm within my mind and I know there's no equal | fill up on our friends |
| When I'm fallin out yo they pull me (4) in | If I could spend the rest of my life with my people, I |
| It was long ago and we were younger so | (6) do it over and over again |
| And our lives we part wrote | I live in my mind and I know there's no equal |
| Feel it, feeling Yeah | When I'm fallin out yo they pull me back in |
| And I remember everyday, sometimes it's too much to take | All I really need, is all I have ever seen |
| I break down, without no heartache | Only thing (7) for me is to feel it, feeling |
| And I mean it, and I mean it | And when we turn to leave and others turn to be |
| If I could spend the rest of my life with my people, I would do it | It's always on my sleeve |
| over and over again | And I mean it, and I mean it |
| Leave it up to them to fill up their steeple, leave it up to us to | If I could spend the rest of my life with my people, I would do it |
| fill up on our friends | over and over again |
| If I could spend the rest of my life with my people, I would do it | Leave it up to (8) to (9) up their steeple, |
| over and over again | leave it up to us to fill up on our friends |
| I'm live in my mind and I know there's no equal | If I could spend the rest of my life with my people, I would do it |
| When I'm fallin out yo they pull me back in | over and (10) again |
| They say we've had fun but let this go | I live in my mind and I know there's no equal |
| Music don't go deep but no | When I'm fallin out yo they pull me back in |
| We think we could help this world if only we try | |
