when I look into your eyes	i'm nere to stay and make the difference that i can make
t's like watching the night sky	Our differences they do a lot to teach us how to use
Or a beautiful sunrise	The tools and gifts we got, yeah, we got a lot at stake
Well, there's so much they hold	And in the end, you're still my friend at (5) we
And just like them old stars	did intend
see that you've come so far	For us to work we didn't break, we didn't burn
To be right where you are	We had to (6) how to bend without the world
How old is your soul?	caving in
Well, I won't give up on us	I had to learn what I've got, and (7) I'm not, and
Even if the skies get rough	who I am
'm giving you all my love	I won't give up on us
'm still looking up	Even if the skies get rough
And when you're (1) your space	I'm giving you all my love
To do some navigating	I'm still looking up, still looking up.
'll be here (2) waiting	Well, I won't give up on us (no I'm not giving up)
To see what you find	God (8) I'm tough enough (I am tough, I an
Cause (3) the stars they burn	loved)
Some even fall to the earth	We've got a lot to learn (we're alive, we are loved)
We've got a lot to learn	God knows we're worth it (and we're worth it)
God knows we're worth it	I won't give up on us
No, I won't give up	Even if the skies get rough
don't (4) be someone who walks away so	I'm giving you all my love
easily	I'm still looking up
