I Feed You My Love by Margaret Berger

A cocoon in a silent tree	Give me a kiss
Through the dark night you listen to me	Now I can see
When I (1) broken words in your ear	The whole world is mine
And you push, you push me hard to the surface	I can touch and feel
I'm blinded at (2) but you wake me	So I feed you my love
You (3) me up (4) the snow	You put a knife (8) my back
Where I was born	And you dare me to (9) the attack
Now I can see	You say "For cowards there's no reward"
The whole world is mine	I have the future on my tongue
I can touch and feel	Now I can see
I feed you my love	Uhhh-Ohhh
You put a knife against my back	The whole (10) is mine
And you dare me to face the attack	I can touch and feel
You say "For (5) there's no reward"	Mm-Ehhh
Feel the heat	So I feed you my love
Oh, (6) my hand	Feed you my love
I trust your word bring the fire	So I feed you my love, oh-uh-oh
I don't (7) if it hurts	
I have the future on my tongue
